Prof M C Misra suggested that we can organise it as a joint event with Indian Hernia Society. Prof K N Srivastava (Past President Indian Hernia Society) seconded this. Prof Muneer Khan (President) and Dr Asuri Krishna (Secretary) also agreed to this suggestion and it was decided that SELSI and IHS will organize a joint conference this year.

Dr Amit Srivastava informed the house that dates in October can be decided and Dr Asuri Krishna and Dr Amit will come out with a format to organise a National conference of **SELSI and Indian Hernia Society in October 2020**.

**SELSICON 2022** – Dr Bhupendra Prasad (Vice President WZ) informed the house that West Zone would like to organise SELSICON 2022 at Mumbai. Dr K N Srivastava suggested that since venue for ASICON 2021 has been shifted to 2022 (Mumbai) it might be difficult to organise SELSICON 2022 at Mumbai as it would clash with ASICON. Dr JB Agarwal and Dr Bhupendra Prasad agreed to this and expressed their desire to organise SELSICON in near future if given an opportunity. Prof M C Misra suggested to put decision for SELSICON 2022 on hold till next meeting. House agreed to this suggestion

4. **Zonal Conferences 2021** – The decision was postponed to the next EC meeting

5. **Editorial Board's Report** – Editorial Board's Report was to be presented by Dr Vikas Singh but since he was not present in the meeting, this agenda could not be discussed

6. **SELSI Elections** – This agenda was discussed at large and opinion sought from all EC members. Prof I K Dhawan, Prof M C Misra, Prof SD Maurya, Dr K N Srivastava, Prof Muneer Khan, Prof P Lal, Prof G S Moirangthem, Prof D P Singh, Dr Rajesh Bhojwani, Dr J B Agarwal, Dr C R Das and other members expressed their views and various options were discussed. It was decided unanimously that this year should be treated as 'zero year' and the same EC should continue functioning and because of the extraordinary circumstances the GBM of this year also should be postponed to as and when the physical National conference is held.

7. Prof Ashwani Kumar and organisers of other Zonal Conferences informed the house that they have been receiving regular communications from members who have qualified the examinations of International College of Laparoscopic Surgeons conducted during the conference organised by them and they suggested that certificates should be issued to the candidates as the convocation would not be possible this year. Most EC members felt that they can be issued some provisional certificate. Prof Pawanindra Lal, Vice President ICLS, informed the house that as per rules and regulations of the College, certificates can only be given only during convocation. He suggested that a provisional intimation letter can be sent to the candidates and inform them that they will be given the degree during Convocation in 2021.

The meeting ended with vote of thanks.
